

The Town of Sturgeon Bay is looking for volunteers to form a Broadband Committee to represent our town. Duties may include but are not limited to:

- Local broadband project planning
- Internet service provider (ISP) coordination
- Resident education and/or surveys
- Grant secure and/or support
- Implementation
- Work with county and/or towns as needed

No one can deny, we need dependable broadband coverage. If you are interested in becoming a member of this new “Broadband Committee”, please contact the town clerk, Nancy Anschutz via email: nlanschutz@yahoo.com or phone 920-743-3908.

If you have technical knowledge, your leadership and assistance would be greatly appreciated, however, no experience is necessary.

The Town Board, for the Town of Sturgeon Bay
